

Dental Floss

Everyday Interdental Care. · SKU KD-OC-DF

Classical clean dental floss and waxed dental floss series in 50-piece boxes, buckets and individually packed formats, plus 100-piece packs — suitable for dental clinics, retail and private-label supply.

Our dental floss range covers classical unwaxed floss for everyday cleaning and waxed floss that slides more easily between tight contacts. Individually packed formats are popular with dental clinics for patient hand-outs and with hotels and airlines.

SUPER DEER

Specifications

Series	Classical clean dental floss · Waxed dental floss
Packing Options	50 pcs box · 50 pcs bucket · 50 pcs individually packed box · 100 pcs pack
Customisation	Flavour, wax, packaging and brand printing to order

Features

Smooth, shred-resistant · Box, bucket or individual pack · Private label available · Clean-room production · Waxed or unwaxed

How to use

- Guide the floss gently between the teeth with a side-to-side motion.
- Curve it around each tooth and slide it below the gum line, then move it up and down to remove plaque.
- Use a clean section for each tooth.

Applications

Dental clinics, pharmacies, retail distributors, hospitality and private-label brands.
